

MISSION:

To provide children, adolescents, and families with opportunities, in a safe and stable environment, to face life's challenges in ways that promote their development as productive and contributing members of the community.

VISION:

Creating opportunities to improve the lives of children and families.

GOAL:

To be the leader among non-profit child welfare, behavioral health, and special education agencies. We will accomplish this by providing a comprehensive, efficient, and effective system of the highest quality that sets the standard for:

- Identifying and Addressing Needs
- Innovation
- Management
- Empathetic Care
- Achieving Success

VALUES:

Caring ■ Respect ■ Hope ■ Commitment ■ Excellence

BELIEFS:

- Our top priority is client care with integrity, respect, and compassion.
- Our most valuable asset is our employees.
- Volunteers make a difference.
- Strength is found in diversity.
- All individuals should have the opportunity to be the best they can be physically, socially, emotionally, and spiritually.
- Prevention and early intervention are always the best practice.
- Every child needs positive, long-lasting relationships with nurturing adults.
- Advocacy for the well-being of families is an essential part of our work.
- Collaboration and teamwork produce the best results.
- Youth should be treated in the most appropriate, least restrictive environment.
- A family environment is essential for every child.
- Our success depends upon a broad base of community support.
